(3) Eligible employees become participants on the first day of the month coincident with or immediately following the date the employee completes one (1) year of service with 750 hours of service (upon becoming a participant, service credit will accrue beginning with the very first hour of service that had been performed when the participant began working in Covered Employment). Employees already participants in the CS Plan at the date this Plan is established will be immediately eligible to participate in the UPS/IBT Plan. No benefits are payable unless the participant has at least five (5) years of vesting credit or has reached Normal Retirement Age while an employee. One (1) year of vesting credit is earned for each calendar year in which the participant works 750 or more hours. The Employer will grant vesting credit for those employees employed by the Employer before the effective date of the UPS/IBT Plan based on the employment records of the Employer or records of the CS Plan.
Full-time employees will receive one (1) year of Credited Service for each 1801 paid hours in Covered Employment in a calendar year beginning on or after January 1, 2008. Employees will receive partial years of Credited Service in monthly increments (i.e. one (1) month if employee worked 150 or more hours in Covered Employment in that month). For purposes of earning service credit for the service pensions only, full-time employees will receive one (1) week of service credit if he has one (1) hour of service in Covered Employment in that week. For service pension only, if an employee has 0-19 weeks of service credit, he shall not receive any service credit for that calendar year. If he has 20-39 weeks of service credit, the amount of credit for that year will be equal to a fraction the numerator of which is the number of weeks of credit and the denominator is 40. If the employee has 40 weeks of service credit for the calendar year, he shall receive one (1) year of service credit.

The Employer will be responsible for funding the UPS/IBT Plan as required by applicable law.

In addition to the normal benefit provided in paragraph (2) above, there shall be a service benefit payable after twenty (20), twenty-five (25), thirty (30) and thirty-five (35) years of full time service. There is a twenty (20) year benefit for anyone who has reached age 50 and the amount will vary based on the person’s age. There is a twenty-five (25) year service retirement benefit for anyone who has twenty-five (25) years of service regardless of age, which shall be $2,000 per month if less than age 57 when benefits commence and $2,500 per month if at least 57 when benefits commence. The benefit for the thirty (30) year service retirement shall be $3,400 per month regardless of the age of the retiring employee. The benefit for thirty-five (35) years of service retirement shall be $3,900 per month regardless of the age of the retiring employee. The Plan Document shall specify the amounts for the twenty (20) year service pension, eligibility criteria and how the benefits are calculated.

The UPS/IBT Plan will recognize full-time service in the CS Plan for determining eligibility for the benefits in this Section and will offset at Normal Retirement Age the benefits accrued from the CS Plan commencing at Normal Retirement Age. If the benefit paid from the CS Plan is reduced as permitted or required by law, the amount of such reduction shall not be included in this offset.

### SECTION 2

Effective August 1, 2002 the Company and Union agree that the part-time employees covered under the United Parcel Service Plan will receive the following improvement to the plan.

(1) The UPS Pension Plan covering only part-time employees working in areas where part-time employees are not covered by Teamsters Pension Plans, will be improved to provide monthly benefits for a part-time employee with seven hundred and fifty (750) paid hours of credit service per year.

The total monthly service pension benefit will be equal to the following provided the employee meets the credit service requirements:

- **$2,275.00** for retirement at any age after 35 years of credited service.
- **$1,950.00** for retirement at any age after 30 years of credited service.
- **$1,625.00** for retirement at age 60 with 25 years of credited service.
- **$1,325.00** for retirement at any age with 25 years of credited service.

The monthly benefit formula under the UPS Pension Plan will be listed in Article 34 Section 1 (g) (i) of the National Master United Parcel Service Agreement.

$55.00 times part-time Credited Service years subject to a maximum 35 years service limit.

The benefit formula in the UPS Pension Plan for current or future part-time employees who are participants will be increased solely for the purpose of the monthly accrued benefit, effective August 1, 2008 to sixty dollars ($60.00) for each year of future Credited Service to a maximum of thirty-five (35) years of Credited Service. If a participant is in Covered Employment on August 1, 2008 he/she shall receive the sixty dollar ($60.00) benefit formula for the entire 2008 plan year.
